REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The primary reason for allowing this application is the specific recitation in the claims of a remote page unit and alert mat and includes a low profile mate, a first plurality of metal contact plates in parallel alignment connected together by a first low voltage wiring to a positive terminal of a DC power supply between the mat base and the mat upper surface; a second plurality of metal contact plates in parallel alignment connected together by a second low voltage wiring to a negative terminal of the DC power supply between the mat base and the mat upper surface, the first plurality of metal contact plates positioned above and perpendicular to the second plurality of metal contact plates with a non-conductive space between the first plurality of metal contact plates and the second plurality of metal contact plates which may come into contact when light pressure is applied to the first plurality of metal contact plates; a cavity containing the DC power supply and a wireless remote signal sending means producing a wireless signal when any of the first plurality of metal contact plates making contact with any of the second plurality of metal contact plates, the cavity having an access panel, a remote pager unit receiving the wireless signal produced by the wireless remote signal sending means activating an audible alarm, and an AC outlet plug adapted to be plugged into any AC outlet plug.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:
